SKILLS

- **Languages:** Python, JavaScript, C, C++
- **Technologies:** HTML, CSS
- **Databases/Tools:** MySQL, Git, GitHub, VS Code
- **Soft Skills:** Problem solving, Team collaboration, Adaptability, Fast Learner

PROJECTS

Seismic Monitoring System | [GitHub](#)

April 2026 - May 2026

- Developed an Arduino-based seismic monitoring prototype using an **SW-420 vibration sensor** to detect abnormal vibrations.
- Implemented configurable **vibration threshold detection** with a 2-second alert-hold mechanism for reliable event indication.
- Integrated an **SSD1306 OLED display, buzzer, and red/green LEDs** to provide real-time visual and audible status feedback.
- Designed and tested the system through **controlled laboratory simulations** using Arduino IDE and Proteus.
- **Tech Stack:** Arduino Nano, C/C++/Arduino, SW-420 Vibration Sensor, SSD1306 OLED, Arduino IDE, Proteus, I2C

Student Database Management System | [GitHub](#)

May 2026 - May 2026

- Developed a **CRUD-based web application** for adding, viewing, updating, and deleting student records.
- Built a **Flask backend with SQLite** for database management and student data handling.
- Designed a simple **HTML/CSS/JavaScript interface** for interacting with student records.
- Implemented structured database operations with **persistent storage** for efficient record management.
- **Tech Stack:** Python, Flask, SQLite, HTML, CSS, JavaScript

Tic Tac Toe Game | [GitHub](#)

Aug 2025 - Aug 2025

- Developed a **console-based Tic Tac Toe game** in C with two-player gameplay.
- Implemented a **3×3 grid system** for board display and player moves.
- Added **turn management and input handling** for smooth gameplay.
- Implemented **win and draw conditions** to determine game outcomes.
- **Tech Stack:** C, Arrays, Loops, Conditional Statements

CERTIFICATES

- | | |
|---|----------|
| • Advanced JavaScript for All upGrad | Feb 2026 |
| • Introduction to Artificial Intelligence Infosys Springboard | Mar 2026 |
| • Computer Programming iAmNEO | May 2026 |
| • Leadership Fundamentals EduTech Hub | Oct 2025 |

ACHIEVEMENTS

- Solved **200+ programming problems** on online coding platforms through regular practice.
- Secured **12th position in the state** in Class 12 Board Examination.
- Earned a **Silver Badge in Python** on HackerRank.
- Earned a **Bronze Badge in C** on HackerRank.

EDUCATION

- | | |
|--|-----------------------|
| Lovely Professional University | Phagwara, Punjab |
| • Bachelor of Technology - Computer Science and Engineering; CGPA: 9.67 | Aug 2025 - Present |
| R.S Model Senior Secondary School | Ludhiana, Punjab |
| • Senior Secondary Education; Percentage: 97.6% | April 2024 - Mar 2025 |
| U.V.M Public School | Ludhiana, Punjab |
| • Matriculation; Percentage: 96.3% | April 2022 - Mar 2023 |
